

Sixth Class Pencil Case List 2025-26

The following are the pencil case essentials for sixth class.

Everything must be labelled.

It is useful to have two pencil cases: one for general use, and the other for art.

The children are encouraged to look after their own property, starting with the contents of their pencil cases. Please remind them to check regularly to see if they need to top up its contents.

Please do not send in any bottles of Tippex/ correction fluid. The mouse is fine but the others spill.

Kind regards,

Sixth Class Team
